

# February 2019

We had great fun during our ocean theme week. We loved learning about the “smelly belly” of the whale and reading “Commotion in the Ocean.” We have opened our computer center and it is a real hit! The pretend house blessing was also a lot of fun. We learned that we need a priest, Jesus and holy water to do a house blessing! During our rhyming week we loved the clothespin game and playing rhyming Bingo. Some of us are reading three letter words and sight words such as am, to, the, I, and my!!! Please support our fundraiser this weekend!! Thank you!

Our Sensory Table has pompoms with tweezers and cookie cutters. How many pompoms can you put inside the cookie cutter?

Thank you to Basil and Airalia for snack.

Library books are due soon!

We had fun wearing hats and doing a pretend house blessing during our “Hh” week!

We learned that St. Basil and St. Gregory were best friends and that they both loved God, loved their family and did their best in their studies. We are singing “One is Holy.”
